3. Parent Engagement Conference - https://parent-engagement.ca/

   Holy Family School division is offering to pay for 1 SCC member to attend a Parent Engagement Conference May 11-13th in Saskatoon. If anyone is interested, please let Alison Jackson know by Sunday, March 19th as we have to let our division know by the 20th! Here is the link to the conference: https://parent-engagement.ca/

4. Clothing Orders

   The clothing order has arrived and the staff and students are very pleased with their new merch. The school will be looking into using an alternate supplier. They will look locally instead of using Talbot out of Manitoba again. They will look at having ordering information ready for the start of the school year.

5. Safety Protocols at the end of every month

   Alison Jackson will be sending a letter to our families explaining the upcoming safety protocols that will be practiced in the school monthly. This is related to new OP's (Operations & Procedures) that Holy Family is

implementing. This will be a practical way to expose the students and staff to new safety measures.

6. Shrek Update

   Balfour has lent us some props and costumes which are amazing! Jenah and Curtis Birg have been building the set. Elena Krueger is coordinating stage and lights. Lindsay Roysum is coordinating ticket sales that will be ready for purchase at the end of March. Kerry Gaillard is coordinating the raffle prizes. She will tell Alison what the prizes are and Alison will apply for the lottery license. There are restrictions and lottery licensing rules that apply after reaching $2500 in sales that we must be aware of. There are 75 seats available per show to sell. Alison will reach out to ND's Multi Media department to inquire about recording the show.

7. Growing Smiles

   Kim has us registered for this fundraiser again.
   April 6th - order sheets will go home
   May 5th - order sheets are due back
   Friday May 26th - pick up day

   We need to consider an alternate pick up location. The delivery truck is often too big to enter the school yard and therefore delivery is more awkward than it needs to be. The town rink was suggested but we will need to keep an eye on the renovations (bathrooms) that could be in progress. We should also remember to reach out to the Town Office, Notre Dame, and the Post Office to ask about purchases.

8. Staff Appreciation Month
   The staff want to thank everyone who helped make staff appreciation month so great - thank you so much! The staff found they were all looking forward to Tuesday's… and they were loving it! It brought them together when they otherwise didn't have a chance to gather as staff.

9. Lent (Social Justice)

   The Foley's came and spoke to the kids. It was a great opportunity to share with the students and show how we as a school community can support our

families and one another. The Foley's are having a FUN RUN (June 11 in Regina) to support bringing awareness to Carlin's rare disease Congenital Adrenal Hyperplasia and will donate the money to Stars Ambulance.

10. Toonies for Tuition

    Catholic Education Week is from May 15-19th. The Catholic School Board is suggesting each student provide $2 to help assist other students in Canada who are required to pay for their Catholic Education. The initiative is through "Toonies for Tuition" campaign. The school will cover the donation for this fundraiser through their canteen sales.

11. Staff
    Mrs. Kaip will be filling in for Mrs. Kirkpatrick starting April 6th. Mrs. Kaip has had the opportunity to work in the school with students and staff which will make this transition very seamless. Mrs. Jackson will be taking on the LF (Learning Facilitator) role while Mrs. Kirkpatrick is away on Maternity leave.

12. 2023-2024 Calendar - This is on the Holy Family website but stay tuned for any changes that take into consideration the Notre Dame calendar.
